

Extrusion 2018

SEPTEMBER 18-20, 2018

Huntington Convention Center of Cleveland, Cleveland, Ohio

MONIKA GNEUSS

Gneuss, Inc.

Monika Gneuss received a Masters Degree in 1996 after studying Mechanical Engineering at the Technical University in Aachen, Germany. She received a PhD in Mechanical Engineering in 2000 from the same university.

After 3 years as an R&D engineer in the plastics department of the IMM in Mainz, Germany, she joined Gneuss Kunststofftechnik GmbH in Bad Oeynhausen, Germany in 1999. In 2000 she was transferred to Gneuss, Inc. in Matthews, NC, as VP/Sales & Marketing Manager.

Since then she has attended, exhibited or presented at numerous extrusion related shows and conferences and she has been a member of the SPE Extrusion Division Board of Directors since 2014.
