

**Extrusion 2018**

SEPTEMBER 18-20, 2018

Huntington Convention Center of Cleveland, Cleveland, Ohio

# DR. MAHESH GUPTA

## Plastic Flow, LLC

Dr. Mahesh Gupta is the President of Plastic Flow, LLC, which he founded to market the polyXtrue software for design and optimization of extrusion dies. He is also a Professor in the Mechanical Engineering Department at Kennesaw State University in Georgia. Before joining Kennesaw State in August 2016 as Chair of the Mechanical Engineering Department, he was a Professor of Mechanical Engineering at Michigan Tech University. Prof. Gupta earlier worked as a Research Associate at Cornell Injection Molding Program and as a consultant for Moldflow.

Prof. Gupta's current research is focused on computer simulation and optimization of polymer extrusion and injection molding.

Prof. Gupta is a fellow of the Society of Plastics Engineers, and also a member of the Board of Directors of the Extrusion Division of the society.
