

Extrusion 2018

SEPTEMBER 18-20, 2018

Huntington Convention Center of Cleveland, Cleveland, Ohio

RAY LOFLIN

Willow Ridge Plastics, Inc.

Ray Loflin is the Technical Director for Willow Ridge Plastics, Inc. Graduating from James Madison University with a BS in Biology and a specific focus on microbiology and chemistry, he has worked for WRP for the past +9 years. He is a member of the ASTM D20.96 subcommittee on Environmental Degradable Plastics and Biobased Products, and is a founding member of the Oxo-Biodegradable Plastics Federation (OBPF). His work in the field of biodegradable plastics is helping governments and companies come up with sustainable plastic solutions.
