

**Extrusion 2018**

SEPTEMBER 18-20, 2018

Huntington Convention Center of Cleveland, Cleveland, Ohio

# WALTER SMITH

## Nordson Screws

Walter received a bachelors degree in mechanical engineering from Youngstown State University in 1987. He has worked for New Castle Industries / Xaloy for 27 years as a design engineer, designing extrusion, injection screws, and complete extrusion systems. Walter has now worked for Nordson PPS for the last 6 years as a Senior Extrusion Application Engineer.

He has authored and co-authored many technical papers and presentations for SPE. Walter has designed many screws for extrusion and injection molding applications, for a wide variety of resins and processes. He holds co-patents in the area of extrusion screw design, and mixer design.

Walter has been a member of SPE since 1990, and has served on the board of directors of the Injection Molding Division of SPE.
